## WHY?

In addition to attending news-making Iraq Oil & Gas Reconstruction sessions, you will be able to meet with decision makers and successful companies who can help structure benefits for your own organization as you venture into the New Iraq.

- + Discuss short-term and long-term opportunities in the New Iraq with important industry and government speakers who can give you an accurate business report;
- + Learn about new multi-billion dollar opportunities in the energy sector;
- + Meet and build relationships with executives from leading oil, gas, drilling, petrochemicals, tankers, transportation, distribution, construction, banking and international business development firms;
- + Find out what you need to know to successfully compete for billions of dollars still available in contracts and subcontracting to help rebuild Iraq's energy sector;
- + Participate in fora with high-level industry players and make your Organization stand out in an interactive and dynamic business environment.

## MEET

**Policy and Procurement Officials from within the  
Iraqi Oil Ministry**

**and Other Government companies.**

IOGS2010

builds on  
Rebuilding Iraq  
Conference series,  
the  
longest-running  
and  
most productive  
business-to-business  
initiative  
in the history of  
this striving nation.

## Conference Audience

The conference is aimed at a high profile international audience of senior figures from oil, gas and petrochemicals sectors, including strategists, analysts, acquisition executives, influential leaders and decision-makers.

- + Senior executives responsible for, and who influence, strategy within the Iraqi oil, gas and petrochemical state companies,
- + Policy and procurement officials from within the Iraqi Oil Ministry and other government companies,
- + Senior executives from Middle Eastern Companies who are active in Iraq,
- + US as well as international companies who have been awarded contracts and subcontracts in Iraq,
- + Journalists and press from trade and industry publications.
